Late afternoon, arrive at Rawnsley Park Station, your home for the next two nights.

Join the *Sunset on the Chase* tour where you'll watch the stunning sunset reflect on the Chase Range as you sip on local wine and enjoy delicious canapes. Day 2: Tuesday or Saturday

Early this morning there will be time to take a 30 minute scenic flight with Chinta Air, to gain an appreciation of the scale and beauty of Wilpena Pound and the Heysen Range (*additional cost and must be booked through your guide the day prior*).

Spend the rest of the day touring around the southern Flinders Ranges including the local sights, picturesque Bunyeroo and Brachina Gorges and peaceful walks taking through the creek beds.

Stop at Prairie Hotel, recognised as an "unmissable outback experience" and enjoy one of their signature Antipasto Platters for lunch, before taking the Moralana Scenic drive back to Rawnsley Park.

This evening, join a tour of the old woolshed and enjoy a 3-course Lamb Tasting food experience where local lamb from the property will be showcased, and prepared in three different and delicious courses. Day 4: Thursday or Monday

Early this morning you will be collected from your hotel and transferred to the Adelaide Airport for your flight to Kangaroo Island. On arrival at Kingscote Airport, meet your local guide and your island nature experience begins with an introduction to Kangaroo Island. Tour through several island habitats and see wildlife in their natural environments. Listen to the distinct sounds of the native birdlife as they chorus from the tall eucalyptus trees. As you travel the island keep an eye out for echidnas, wallabies, reptiles and wildflowers.

At the spectacular Seal Bay Conservation Park, your guide will escort you on a memorable walk along the beach. Home to a healthy Australian sea lion colony, walk amongst them as they bask on the beach or in the sand dunes after their extensive fishing expedition. With your guide you are able to stand at a safe distance to these wonderful endangered creatures and hear them sigh and watch them at play. This is a truly unforgettable experience — one that you will treasure forever.

Enjoy a delicious gourmet picnic style lunch with local KI wine in an exclusive Heritage-listed natural bush property. Follow lunch with a pleasant bushwalk or a stroll along the beach. Explore the spectacular beaches of the north coast and enjoy a bushwalk. Listen for Australia's rarest cockatoo, the Kangaroo Island glossy black cockatoo and watch out for the Tammar wallaby, in its natural habitat.

Later in the afternoon, as the day draws to a close, see the kangaroos leave the safety of the bush to begin grazing on the open pastures. Your tour concludes at your choice of accommodation for your overnight stay on Kangaroo

Island. Overnight: Choice of Superior or Standard accommodation on Kangaroo Island**Day 5: Friday or Tuesday**

The park incorporates almost 20 per cent of the island and much of it is a Wilderness Protection Area, home to a variety of fauna and flora unique to Kangaroo Island. Enjoy the opportunity to walk through the park in search for kangaroos, wallabies and a variety of birdlife.

See some of the 10,000 healthy Long-nosed Fur Seals in their colony at Cape du Couedic and discover the formation of Remarkable Rocks. These large granite boulders balance dramatically on the cliff edge, which plunges 75 metres into the turbulent Southern Ocean below. At Admirals Arch see where the powerful forces of nature have cut through the headland to create a natural geological formation. Today your gourmet style picnic lunch will be served in a secluded bush setting.

By special permit, enter the Kelly Hill Conservation Park to see kangaroos and other native wildlife emerge from the safety of the bush land to graze on the open plains. Your tour concludes at Kingscote Airport for your return flight to Adelaide and transfer to your chosen accommodation.
